## For Kindergarten – 8th Grade

To complete your log, you will earn 1 point for every 1 minute of reading. Mark your chart each time you have earned 30 points. This is flexible. For example, 15 minutes of reading in the morning and 15 minutes at night equals 30 points.

Listening to an audiobook or a book someone reads to you can count towards your total points.

Once you have earned 900 points, come to the Library to select your paperback book and prize.

Turn in your completed log by **Tue, Apr 30** to collect prizes this school year. You can earn up to 4 paperback books and 4 other incentives throughout the program.

Think you can read even more? Be a Mega Reader! Complete a 5th, 6th, 7th, or 8th reading log before **Apr 30**. Each additional log will earn an entry into a drawing for a chance to win a \$25 Target gift card.

Track your reading online with  **beanstack** and participate in optional monthly challenges for even more opportunities to win. Download the app so you can track your reading wherever you go!
